November, 2007 (Volume 32, Number 11)

NEXT MEETING: 11:00 A.M., Friday, 11/09/07 at the pat Hanlon Senior Center, 1101 Ridge Ave., KCK

For those of you with computers: Look for the newsletter on www.KSNARFE.org in Item #14, in COLOR.

October Meeting: Bingo was played by 10 members before lunch and prizes were won by five different members. Potluck lunch was at noon. As usual we had plenty of good food contributed.

Fourteen members attended the business meeting. The minutes of the last meeting was read, as well as the treasurer's report. The membership chair, Shirley Newman, reported we had two new members and one reinstatement. As usual, we lost members due to moving away, failure to renew and death. We have just a little over 300 members now.

Byron Nichols won the attendance drawing of \$5. Henrietta Horseman won the ticket drawing for \$4.75. Both were contributed to the Alzheimer's fund. So far this year the chapter has sent **\$967.43** to the Kansas Federation Alzheimer's coordinator (\$3.18 per official member). The KS Federation goal this year is \$4 per member. We have a ways to go for this one.

If any member who doesn't attend meetings wishes to contribute to the Alzheimer's Fund, you can send a check to the Treasurer (see the address on the back cover of the Scout). **Please make checks out to "NARFE Chapter 1160"**. We'll forward the contribution to the state coordinator and mention you with a thanks in the Scout. Thanks to all.

Future Meetings: We will hold our annual Memo-

rial Program at the November meeting, where we read the names of members who died during the past year. It will follow the usual pot-luck luncheon. A short business meeting will also be held. In December, we will have our Christmas Luncheon, where the chapter will provide turkey and ham, as usual. Members are still to bring side dishes and desserts. **At ALL meetings, if anyone would like to come early enough before lunch (say, at about 11 A.M.), we plan to play Bingo, with prizes for the winners. Please Come!**

To make a tax-deductible donation by check make it payable to "NARFE-FEEA Disaster Fund" and send it to: FEEA, 8441 W Bowles Ave., Suite 200, Littleton, CO 80123. Credit card donations may be made online at 'www.feea.org' or you can call 1-800-323-4140. Be sure to tell them you are donating to the NARFE Disaster Fund.

Legislative, Financial and Health News (summarized from FEDWeek Bulletins and NARFE Legislative Hotlines):

Congress: Under an OPM plan introduced in Congress, federal retirees could return to work on a limited basis without having their annuity offset from their salaries, but they would not be considered to be federal employees for retirement purposes (no additional benefits or time-in-service calculations would be done). Nothing has yet been done with this proposal.

As expected, on Sept. 29 the President signed the Continuing Resolution to allow the government to continue operations through November 16, as well as an increase to the debt ceiling. This may be extended if work is not done on the appropriations bills before the winter recess.

COLAs, CPI, rates: The next cost-of-living adjustment (COLA) for retired and disabled Americans will be 2.3%. Social Security beneficiaries, civil service and military retirees will receive it in their January, 2008 checks. FERS annuitants 62 years old and older, FERS survivors and disability retirees will receive the full Social Security COLA, but their adjustment to their FERS annuity will only be 2% because the FERS COLA formula differs from that used by CSRS.

Several other figures in Social Security will also be affected. Earnings subject to the 6.2% Social Security withholding tax will rise from \$97,500 to \$102,000. Also the earnings test applied to Social Security beneficiaries age 62 through their "full retirement age" increases from \$12,960 to \$13,560 (full retirement age varies from 65 years & 10 months to 66 depending on

birthdate). There are no limits on earnings after an individual reaches their full retirement age.

Medicare rates also increase for 2008. The Part B premium for most enrollees increases \$2.90 per month to \$96.40. Higher income retirees pay larger premiums, ranging up to \$238.40 per month. The Part B deductible will be \$135 (up by \$4). The Part A (hospital) deductible will be \$1024, the daily copay for days 61 to 90 increase to \$256, and for over 90 days goes up to \$512. Monthly premiums for Part D prescription coverage rises \$3 to \$25 (FEHB plans already provide prescription coverage equal or greater than Part D plans).

The latest possible figures for the active employee pay raise is 3.5%, to be split between an across-the-board and locality pay. The President has not recommended an 'alternative' default raise of 2.5% as rumored. Congress still needs to act.

TSP Funds: The International stock (I) fund gained 5.36% in September, followed by the Common stock (C) fund at 3.76%, small stock (S) fund by 2.97%, bond (F) fund at 0.78% and government securities (G) fund by 0.41%. The latest 12-month returns are: I, 24.96%; S, 18.79%; C, 16.93%; F, 5.27% and G, 4.93%. September and 12-month returns for the lifecycle funds are: Income, 1.13 & 7.71; 2010, 1.78 & 10.82; 2020, 2.68 & 14.02; 2030, 3.09 & 15.63; 2040, 3.45 & 17.14.
