December Meeting: About eight attendees played Bingo prior to lunch. The Christmas luncheon was from noon to 1:15pm and was enjoyed by all. The chapter provided the meats (ham & turkey) and the membership brought sides and desserts. The luncheon was attended by 11 members and two guests. There was no business meeting.

The drawings: Attendance, #10, Jamey Story; Half-and-half Jackpot Ticket, #481380, Henrietta Horseman. Both prizes were donated to the Alzheimer's Fund. Attendees who didn't leave after lunch played more Bingo until 1:50pm.

Legislative, Financial and Health News (summarized from FEDWeek & GEMS Bulletins and NARFE Legislative Hotlines):

Congress & the Administration: On December 13, the House has sent the message to federal workers and retirees that pay and retirement benefits are "still on the table" for additional cuts with the passage of HR3630. It would extend the current pay freeze for a third year and make radical changes to the federal retirement system for both current and future retirees. This comes after the Senate defeated a measure to continue the freeze and only allow the hiring of one replacement for three employees leaving (among other things). Some of the aforementioned cuts was to pay for another one-year extension of the payroll tax holiday, but it was only agreed to for two months, about mid-February. The House then passed an omnibus bill to extend funding for the 2012 fiscal year, and Senate concurrence was to happen on December 16 or 17.

COLAs: Retirees covered by the federal retirement programs (Social Security and civil service and military) will receive COLAs in their January payments. The CSRS system will give 3.6% raises and FERS will give 2.6% to those over 62. The consumer price index fell slightly for the

second straight month, so expect smaller COLAs next year, possibly 1.7%. Also it has been decided that there will be no 'pay parity' between civilian and military pay raises again this year. Military pay raised only 1.6% in January, with a similar proposal for 2013.

TSP funds: The TSP funds were generally flat or down in November, with the International stock fund (I) losing 2.46%, the Small company fund (S) losing 0.51% and the Large company stock fund (C) down 0.21%. Their 12-month returns are, respectively, -2.67, 3.78 and 7.82%. The Bond fund (F) gained 0.01% and the Government securities fund (G) gained 0.14% for 12-month gains of 5.68 and 2.51%. The November and 12-month returns for the Lifecycle funds: Income 0.02 & 3.55%; 2020, -0.34 & 4.4%; 2030, -0.49 & 4.55%; 2040, -0.62 & 4.59%. The 2050 fund which launched at the end of January lost 0.78% in November.

If any member who doesn't attend meetings wishes to contribute to the Alzheimer's Fund, you can send a check to the Treasurer (see the return address on the back cover of the Scout). **Please make checks out to "NARFE/Alzheimer Research".** We'll forward the contribution to the state coordinator and mention you with a thanks in the Scout. Thanks to all.

Note to members: Dues Withholding saves the national organization money (no bills to mail out) and it saves annual renewers \$6 each year (the equivalent of Chapter dues) [\$40 national plus \$6 chapter vs. \$40 total under dues withholding! - effective as of August, 2011]. You don't have to remember to write that check or risk being dropped. **62%** of our members required to pay dues are already using withholding, why not you? Applications are on the NARFE website at: www.narfe.org.

Reminder: Please send us your "Best Choice" UPC codes when you get a bunch! (It's not worth the postage to mail one or two!) We get \$30 per 1000 codes (3¢ per code), plus an additional \$30 bonus once a year. The money goes to Alzheimer's Research. Send them either via a member you know who goes to the meetings or to the address in the return address block. Remember, we need only the bar codes, not the whole label. Saves postage \$.
