It is with considerable disappointment that of all our talented members there is no one who is willing to take over the job I have been doing. I cannot continue and two options to consider at our next meeting are:

(1) Pay from our Treasury an amount to have it done by an outside printer, and perhaps make it a quarterly newsletter rather than a monthly one. This would soon be a strain on our treasury and doubtfully could it be afforded..

(2) Have our President appoint someone as is done on other Chair persons

(3) Discontinue having a newsletter.

It is not a difficult job and I am confident there is available talent. I have drafted the pertinent things to be done and will be glad to share with any interested person.

Thanks. Maynard

Jim Miller - President

Hello Maynard and Betty ! Betty, you're included for being a continuing mentor to Ron Neis. I'm looking at (1) having him, with your guidance, taking on a larger responsibility with Membership as that is or has been the primary responsibility for the First Vice President.(2) bringing Ron Richey back, if he will consider it, as the Chapter Legislative Chair. Today he's at the State House, as the Tax Committee is meeting. Their agenda includes KPERs discussions and he'll report on that next Thursday. Now to the column !

I once authored a monthly column with the heading Musings By Miller. The musings were mainly about national politics and legislation. This month to kick off the new year, I'll try to provide some words of INSPIRATION instead of TREPIDATION before the KS Legislature and the Congress " may " cause CONSTERNATION.Plus a few attempts at humor starting with:

When we were much younger, how we would fight !

To stay awake and welcome the New Year's Night !

Now I'm older and wiser, I think it's just fine... to celebrate by going to bed at....NINE !

Elmer Ketter would be proud of the team who planned and staffed the Christmas meeting Reception on Dec. 3 ! Mary Harms and Dolores Engel Co-Chaired the event with Virginia Bohn, Barbara McLain and Marcia Rothmier providing the enjoyable treats. Plus, dear to the hearts of our finances, they brought it in under budget ! The Mellow-Dears were well received with our own Leah Hefner (Miss February) singing with the group.

The vote for a Chapter dues increase was approved, and the elected officers were sworn in by Area Vice President Flo Biehl. With that combination, should the officers prepare to be sworn at?

It's much too early to predict what adverse actions may be taken by Legislators at the state and national levels. However, the fool says I will prepare tomorrow, the wise says I will prepare yesterday.

Ron Richey is keeping a NARFE presence for us, our chapter members and chapter members in the state at the State House, as I write this. He will be joined as often as possible by Ron Neis and me. Positive sign ! Flo Biehl, Area Vice President and Louise Lloyd, Federation Secretary have expressed interest in attending some meetings / hearings this session. When we've had the opportunity to review the Legislative Calendar, we'll provide some possible dates. With the changes in legislators, IT IS THE RESPONSIBILITY OF NARFE MEMBERS IN THE DISTRICTS TO BE IN CONTACT WITH THEIR legislator. Ron, Ron and I can't vote in their district, but you can ! In Washington, DC, NARFE will continue to be the MOST effective legislative staff representing us on Capitol Hill ! They too can't do it alone, so remember to (1) contact your members of Congress (2) send your contributions to NARFE-PAC.

One of the bright spots in the NARFE legislative history is....we haven't lost ANY benefits except no COLAs in 2010 and 2011.

Should we lose any benefits, despite the many years of excellent representation, especially in Kansas, fingers will be pointed at the Topeka chapter and questions such as " How could YOU let this happen ?" Shall we quit ? I close with these wise words from Dr. Karl Menninger:

(1) (1)People will be illogical, unreasonable and self-centered. LOVE THEM ANYWAY.

IF (2) YOU DO GOOD, PEOPLE WILL ACCUSE YOU OF SELFISH, ULTERIOR MOTIVES. do good anyway.

(3) IF YOU ARE SUCCESSFUL, YOU WILL WIN FALSE FRIENDS AND TRUE ENEMIES. SUCCEED ANYWAY.

(4) (4)The good you do today will be forgotten tomorrow. DO GOOD ANYWAY.

(5) Honesty and frankness make you vulnerable. BE HONEST AND FRANK ANYWAY.

(6) The biggest men and women with the biggest ideas can be shot down by the smallest and women with smallest minds. THINK BIG ANYWAY.

(7) People favor underdogs but follow only top dogs. FIGHT FOR A FEW UNDERDOGS ANYWAY. (That's NARFE !)

(8) What you spend years building may be destroyed overnight. BUILD ANYWAY.

(9) People really need help but may attack you if you do help them. HELP PEOPLE ANYWAY.

(10) Give the world the best you have and you may get kicked in the teeth. GIVE THE WORLD THE BEST YOU HAVE ANYWAY ! On that bright note,

I look forward to seeing you at our January 28 meeting !

Gwendolyn Ketter, Secretary

_____ The following is taken from NARFE GEMS _____

“Huge Budget Cuts Loom: Once the pomp and symbolism of the early session is over, NARFE is expecting the most challenging fight in a generation to defend our earned retirement, pay and health benefits during the upcoming congressional budget process. Early indicators of how this year's budget process will play out include the President's state of the union address on January 25th, the release of the President's Budget in February and action on the annual congressional budget resolution in March and April. The timing of this year's Budget Resolution coincides at the point in time when the national debt is expected to reach its statutory limit of \$14.3 trillion. The debt limit and Budget Resolution could provide budget hawks with powerful leverage to extract massive spending cuts in exchange for their vote to increase the borrowing cap. NARFE members' earned benefits, as the Fiscal Commission showed, present an attractive target. Proactively defending them NOW is crucial.” (Underscore supplied)

THIS IS WHY NARFE MEMBERSHIP IS IMPOR TANT! ! !
