CASINO TRIP CANCELLED: Dixie Thomas checked on the casino trip for October and was told that a local sorority had scheduled one for 2 October. Dixie discussed with the bus lines scheduler and it was her opinion that NARFE could not fill another bus and would end up cancelling again. So, we will plan on a spring trip in February or March. P.S. I think we could have filled another one!

So far, only two members have volunteered to help for these three hours. WE NEED MORE. Let Dixie Thomas know if you can help even for an hour this coming Friday from 11:00 to 2:00.

CONVENTION UPDATE! STATE NEWS

ALZHEIMER'S UPDATE (CAROL EK, NARFE STATE PRESIDENT): "Region V was second in the Nation for donations to Alzheimer's for the sixth year; Kansas was second in the Nation for per capita; and third in the Nation for total donations. The highest total for the year was awarded to Virginia with \$66,270.00. The highest per capita for the year was awarded to Mississippi with \$6.49 per member."

MEMBERSHIP UPDATE (CAROL EK, NARFE STATE PRESIDENT): "In July and August, Kansas lost 263 members. Many of these members could have been retained if the chapter had just contacted them and asked them to renew that membership. When asked why members have not renewed, many times the reply was, "I've never been contacted for meetings or to renew my membership." This is sad! We are a member "grassroots" organization but chapters do not "welcome" new members and ask them to attend their meetings. We cannot keep members if we do not offer anything in return."

NARFE STATE LEGISLATIVE CHAIR (JAMES MILLER, CHAPTER 0002, TOPEKA, KS): "Recently while speaking at a Kansas chapter, a member asked a question that led me to give a State Legislative 101 explanation. For decades, the mission and purpose for

Question: What is the common term for someone who enjoys work and refuses to retire?

Answer: NUTS!

Question: Why are retirees so slow to clean out the basement, attic or garage?

Answer: They know that as soon as they do, one of their adult kids will want to store stuff there.

members of Chapter 0002, Topeka, has been to attend committee meetings, hearings and sessions of the Kansas Legislature. Ron Richey, Ron Neis and I (Jim Miller) currently represent NARFE members at the State House and TRY to ensure federal retirees receive fair treatment on the state income tax exemption. Efforts through the years since the benefit was passed have been to “lift” federal retirees ONLY out of the organizations with the state income tax benefit.

To date, our efforts and those of Oscar Albrecht and Ron Musser before us have been successful. Other retired employee groups with the benefit are KS Public Employees Retirement System (KPERS); KS Police and Firemen’s Retirement System; KS Teachers Retirement; KS Highway Patrol; KS Justices and Judges Retirement; Railroad Retirement; retired employees of Washburn University and several additional categories. With pressure mounting on the KS Legislature to CUT taxes, I believe the ENTIRE benefit could be under fire for ALL organizations.

Adverse editorials and “news” stories decrying lavish pensions and benefits for public and especially federal retirees abound. The same criticism is leveled at current employees, public and federal. Representative Eric Cantor (R-PA) said “Americans are fed up with public employee pay scales far exceeding that in the private sector.” That’s easy to understand because the business practice in vogue now is to CUT wages, hours and benefits for employees. Recession? Why expand? Hiring is easy because so many people are desperately seeking jobs. We’ve got ‘em down, let’s keep ‘em down! 2010 Topeka Capitol Journal, “THEN THERE’S THIS ISSUE OF PENSIONS. USA TODAY REPORTED THAT FEDERAL EMPLOYEES RECEIVED AN AVERAGE OF \$42,791.00 IN BENEFITS LAST YEAR AND MOST OF THAT FIGURE WAS THE GOVERNMENT’S CONTRIBUTION TO PENSIONS.”

“That should be all the incentive we need to work for a stronger NARFE in Kansas and in Washington, D.C.” (Jim Miller, State Legislative Chair)
