Two blondes were going to Disneyland. They were driving on the Interstate when they saw the sign that said Disneyland LEFT. They started crying and turned around and went home.

My mind not only wanders, it sometimes leaves completely.

The older you get, the tougher it is to lose weight, because by then your body and your fat are really good friends.

I gave up jogging for my health when my thighs kept rubbing together and setting fire to my panties.

Skinny people irritate me! Especially when they say things like... 'You know sometimes I forget to eat!'Now, I've forgotten my address, my mother's maiden name, and my keys, but I have never forgotten to eat.. You have to be a special kind of stupid to forget to eat!

PS... Did you know it's a sin for a woman to make coffee?

Yup, it's in the Bible. It says. . 'He' -brews'
