Jim Miller - President

The recent NARFE national convention covered a wide range of issues. I'm going to concentrate on just two ! First, as a NARFE member, pat your purse or billfold because, thanks to NARFE and Chapter 0002, we held onto the KS state income tax exemption. For a personal touch, if you have never calculated that savings, take a break and do it now.) Still patting that purse / billfold, because thanks to efforts of our national office and support from some states, the amendment to CUT our retirement and or health benefits by \$ ten billion was defeated. On the national level, NARFE worked diligently to support current federal workers (and we trust, soon to be NARFE members, if they aren't !)

The not-so-good news is, not only are those threats NOT going away, predictions are they will increase in intensity, after the November 2 elections. How many members of Congress will be voted out of office ? How many " lame ducks " will support last minute legislation to cut federal benefits ? How many new members of Congress will take office, believing the editorials and articles bemoaning the " lavish " (their description, folks, not mine !) benefits of federal retirees and federal workers and consider major cuts ? The legislative outlook for the state of Kansas and federal retirees isn't rosy either. Which leads to....

NARFE voted at national convention, to increase national dues, effective January 1, 2011. \$ 45.00 for first time members, \$40.00 a year thereafter. Dues withholding will be \$ 34.00 a year, national dues only. Your

chapter has delayed proposing a dues increase waiting for the decision of national, If so many of you had not pitched in and helped so well to staff and support the recent state convention, we wouldn't have enough cash on hand to pay expenses. Not a good position to be in ! The executive committee met on September 9 to discuss the new national dues and how much we should propose to our membership, to cover chapter expenses. The decision was made to " float " some of the proposals in the newsletter to provide food for thought. Bear in mind, please, that without a strong national NARFE, a strong Kansas Federation, and a strong Chapter 0002, we won't have a strong voice, the ONLY voice, speaking for us in Washington, D.C. ! We won't have the presence at the Kansas State House, and we won't have the training provided by the Federation. Our chapter dues are \$ 8.40 a year, and as noted, that doesn't cover expenses. Dues increases discussed were : raise to \$ 18.00 a year, rational that would cover chapter expenses for several years. \$ 15.00 a year, rational- enough to get by; \$ 11.00 a year. Much smaller increase but the combined national and chapter dues would be \$ 4.25 a month. Dues withholding would be \$ 3.75 a month. We want to know what YOU think, and the next meeting on September 24th will be a good time to ask your questions.

Gale DeVore - First Vice President

It is time for us to pay more attention to the NARFE organization. Until this economic situation is over; we must maintain our vigilance more than ever. Congress will be looking for all areas to obtain funds. Many people do not realize that we contributed to our retirement fund.

I would also strongly recommend the automatic withholding to pay your NARFE dues. It is a small monthly payment and painless.

One of the items that was decided at the September Executive Committee meeting was that formal invitations would be sent to different politicians to speak and answer questions at the October luncheon. We hope to receive back enough "yes" responses that will represent both federal and state government issues. We will report the results of our invitations in the October newsletter and list any "yes" responses received up and until press time. However more could come in after press time and show up at the luncheon. Plan to attend as it could be one of the most interesting meetings all year. Be sure and call your reservation into Jim Miller (478-0651) or Paul Manning (272-6208).

I might add that in my opinion the food has been nothing short of excellent since a change in the food service management at Aldersgate.

I hope to see you there!!!

Helen Price - Good Cheer Chair

Sympathy cards were sent to the family of Robert Morrissey who died September 3 and to Marjorie Roy whose brother died on September 8.
