FINAL ALERT-FINAL ALERT.

(Note: The following report appears on the "NARFE WEB SITE" (November 16, 2011)
DEAR NARFE MEMBER:

In just seven days, the congressional super committee has to vote on their plan to cut the deficit, THIS COULD BE OUR LAST CHANCE TO MAKE SURE THEIR PLAN DOES NOT SINGLE OUT FEDERAL RETIREES, ACTIVE FEDERAL WORKERS AND SPOUSES.FOR THE "HIT LIST," TO CUT YOUR EARNED BENEFITS..

If you haven't yet spoken up during our "Protect America's" Heartbeat campaign, now is the time to send a letter to Washington. If you've raised your voice before, but you haven't sent our super committee letter to the White House and your members of Congress, then there isn't a better time than now to raise your voice again.-----

THE SUPERCOMMITTEE WILL DECIDE IN JUST A FEW DAYS ON PROPOSALS THAT COULD TAKE MONEY DIRECTLY OUT OF "YOUR WALLET" TO FIX A FEDERAL DEFICIT THAT FEDERAL WORKERS AND RETIREES DIDN'T CAUSE.

Visit www.ProtectAmericasHeartbeat.org now. Ask the White House and Congress to read our letter to the super committee immediately. If you've already sent NARFE's letter to Congress, please forward this email to your friends, family, and federal co-workers and ask them to stand with NARFE against these egregious cuts. There are just days left until the "super committee" deadline, so we need Washington to hear from as many people as possible now. SEE NARFE WEB SITE FOR DETAILS.

**NARFE is the only organization working to protect your benefits; are you working for NARFE?*
