

October 19, 2010 2A Vice President Report

In the year 2011, when NARFE celebrates its 90th year, two chapters in 2A will celebrate their 50th anniversary. Chapter 0792 Ft. Scott June 10 and Chapter 0799 Chanute September 2.

Ft Scott, Chanute + Independence will have special events for recruitment near the end of the year.

Coffeyville chapter has not had a meeting in at least 10 months. Leadership doesn't exist there. But I have not given up. The "President" is gone so much that he just can't call a meeting.

Crawford Co and Ft. Scott are considering a joint meeting.

Communication can be difficult at times. I have found a phone call with e-mail follow up works best. BUT not all officers have e-mail.
